10 SAN JOSE DIVISION  
11

12 ANOOP RAJKUMAR,

13 Plaintiff,

14 v.

15 CISCO SYSTEMS, INC., et al.,

16 Defendants.  
17

Case No.: C 08-1600 PVT

**ORDER DENYING DEFENDANT MOHTA'S  
MOTION FOR RULE 11 SANCTIONS**

18 On April 17, 2009, Defendant Naval Mohta filed a motion for sanctions, arguing that  
19 Plaintiff's complaint is devoid of evidentiary support and not warranted by law. Plaintiff opposed  
20 the motion. The court took the motion under submission at the hearing of May 26, 2009. Based on  
21 the briefs and arguments submitted,

22 IT IS HEREBY ORDERED that Defendant Mohta's motion for sanctions is DENIED.  
23 There is a "strong presumption is against the imposition of sanctions for invoking the processes of  
24 the law." *See Talamini v. All-State Insurance Co.*, 470 U.S. 1067, 1072 (1985). As Justice Stevens  
25 explained:

26 "Freedom of access to the courts is a cherished value in our democratic society.  
27 Incremental changes in settled rules of law often result from litigation. The courts  
28 provide the mechanism for the peaceful resolution of disputes that might otherwise  
give rise to attempts at self-help. There is, and should be, the strongest presumption  
of open access to all levels of the judicial system. Creating a risk that the invocation  
of the judicial process may give rise to punitive sanctions simply because the

1 litigant's claim is unmeritorious could only deter the legitimate exercise of the right to  
2 seek a peaceful redress of grievances through judicial means."

3 The court does not doubt that Plaintiff sincerely believes his allegations against Defendants.  
4 This is not a case where a litigant brings a frivolous lawsuit for improper purposes or in bad faith.  
5 Thus, sanctions are unwarranted.
